

FEBRUARY 2010

MAC Air Rifle Shooter of the Month

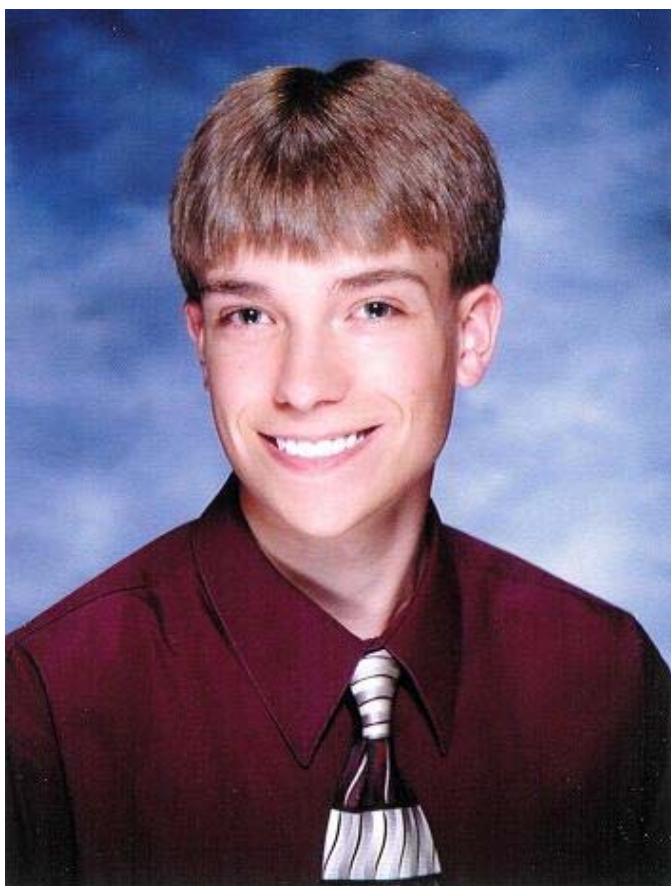

The February MAC Air Rifle Shooter of the Month is Nicole McMahon of Penn State University.

Nicole led the Nittany Lions in Air Rifle with a career high 564 against U.S. Coast Guard Academy. This included a rare perfect 100 on her second air target. These represent only her fourth and fifth career matches. She had never competed in smallbore or Air Rifle prior to coming to Penn State. Nicole is very active with the Penn State Rifle Club where she serves as the club secretary and is also very helpful in instructing new members. On campus, Nicole is a member of the Pre-Vet Club as well as Earth House. Nicole was named to the Dean's List for the 2009 fall semester. Nicole is a freshman dual major in Veterinary & Biomedical Science as well as Immunology and Infectious Disease with a minor in Chemistry.

February 2010

MAC Smallbore Rifle Shooter of the Month

The February MAC Smallbore Rifle Shooter of the Month is Ryan Guffey of Penn State University.

Ryan has been a Penn State Rifle Club Officer for 4yrs. During the 2009-2010 rifle season, he served as one of the team coaches while being a competitive team member. Ryan has been responsible for instruction and logistics of all Penn State Rifle Club trips and events. Ryan was the primary individual who helped in the coordination of the 2009 MAC Spring Meeting hosted by Penn State University. The smallbore score of 525 @ USP February 14, 2010 led the Penn State team that day.

Ryan has been named to the Dean's list 6 times, is a member of the National Society of Collegiate Scholars, the Phi Eta Sigma Honors Society, and the Tau Beta Pi Honors Society. Ryan is a senior majoring in Computer Science with a Mathematics minor.
